50 MIN.

PADANI ABHYANGA

This massage provides calm and wellbeing. Stimulates lymphatic system and venous return. Reduces pain and foot inflammation, giving feeling of complete relaxation. (Consists of peeling, complete foot massage and Marma points and y relaxing massage up to the knee)

60 MIN.

FACIAL HYDRATION THERAPY

Cleansing and toning with Skin Care infusion rich in antioxidant and anti-inflammatory bioactives that improves microcirculation and general mood. Relaxing facial massage followed by Haridra mask with it's intense and exclusive formula that helps rejuvenate skin's cellular memory, slows hyperactive melanocytes, diffuses and prevents dark spots; it has highly moisturizing, firming and toning properties.

(Ancient botanical combination of this mask gathers base of purifying clay, bioactives of turmeric, ashwagandha, el fenugreek and lotus flower, for nourished, luminous and vibrant skin).

45 MIN.

CLASSIC RELAXING MASSAGE

Gentle technique, mainly performed with sliding maneuvers, using neutral oil with aromatherapy drops for better movement.

AROMATHERAPY MASSAGE

Aromatherapy massage unites massage technique and therapeutic use of the pure oils from medical plants. Essential oils possess many properties and have a double action effect. Through its smell, harmonize emotional and spiritual states; as well as penetrate through the skin to a blood flow, getting rid of existing tensions. Every essential oil has different healing properties.
